

## Hello!

August is half over, which means summer of '07' is coming to a close. Wow, doesn't it go by fast! That's what reminded me to send our Newsletter out to our extended 'Families', You, our cherished customers. The outlook on this year has been sort of bleak. The housing market seemed as though it came to a stand still. Add on and replacement of equipment was about the same and service, well, when it was hot and humid, very busy. We always try and thank you for using Energy Saving Systems, but know in your hearts if we forget, we are truly grateful. Thanks again.

## Planned maintenance (PMC)

Reminder cards will be mailed to you in September. Call to schedule your fall tune-up.

## 10 Year Parts and Labor

A reminder again to those who have 10 Year Parts and Labor coverage on their comfort system. The manufacturer requires yearly maintenance on this equipment to maintain warranty validity. Please don't forget.

## Cash Back Incentives

Usually around September or early October Bryant will have their national fall campaign, offering significant cash back offers on high efficient comfort systems. The technology of this equipment, designed by United Technologies is far superior than other furnace and a/c manufacturers. Remember to ask for Bryant equipment when scheduling your free comfort system quote.

## Fall Chores

In the past we wrote a list of chores for the honey do list, to save space this time go to our website at [www.esshvac.com](http://www.esshvac.com) and view past newsletters (Issue #16).

## Federal Tax Credit

The Federal tax credit is scheduled to expire at the end of this year. \$500.00 is nothing to sneeze at. To qualify for this credit the furnace must be 95% efficient and the air conditioner must have an E.E.R. rating of 15.5. Bryant has a couple of combinations that do achieve these standards.

## Accessories

We have every accessory to compliment your comfort needs – humidity, air cleaning, dehumidifying, odor control. Again, refer to the website or simply call us.

## Monthly Specials

Click on this section of our website for money saving coupons – please present coupon for your discount on that special during our visit.

## Next Newsletter

We will try to put out one more newsletter before the end of the year. If not, we will take this opportunity to wish everyone Happy Holidays. To all school children, be safe. Wellness to our older generation and God's blessing above all.

## Thank You

The Management
